Precautions

- Read all information in this guide before using the device to ensure safe and proper operation.
- Please use the accessories that have been approved by MEFERI and corresponds to this model. Use of any power source, charger, battery, etc. that has not been approved by MEFERI may cause a fire, explosion, or other hazards.

3. Please use device and accessories within the specified temperature range. Equipment failure may occur when the ambient temperature is too high or too low.

4. If the battery is not detachable, please do not replace the battery by yourself in case of any damage to the battery or the device. The battery shall be replaced by authorized service centers only.

5. Do not disassemble the product and its accessories. If the equipment or any of its components are not working properly, please contact and consult our after-sales service center, or send the device to our after-sales service outlets for testing and servicing.

6. If the battery shows abnormal signs of peculiar smell, overheat, color change, distortion or leakage, remove the battery from the charger or the device immediately and stop using it.

7. The battery is made from a flammable and explosive material. Do not disassemble, squeeze, drop and make any other destructive operations on the battery. Do not place the battery in high temperature.

8. Disposal of used batteries is subject to local relevant documents or policies regarding disposal of used batteries.

Warranty Policy

Warranty terms:

- Under normal circumstances, the warranty period of the device is 12 months, 3 months for accessories, subject to the sales agreement.
- During the product warranty period, under the normal use conditions (determined by our technical staff), the user will be entitled to a free warranty for damaged or faulty warranty parts.
- During the warranty period, faults caused by repair, disassembly or modification of the product by a personnel other than our company, improper installation, improper use by the user (failure to follow

instructions), serial number damage, accident or natural disaster, will not be covered under the warranty.

4. The warranty will expire immediately if any alterations are made to the warranty card.

5. Please show the equipment SN and purchase certificate for repair.

The company reserves the right to interpret the above contents.

6. If you have trouble using the device, please e-mail to meferi@meferi.com.
